SABIAN PERFORMANCE ACCESSORIES

Drumming is much more than a hobby – it is a lifestyle. Whether you play in local clubs, tour big arenas or just play at home, chances are that drumming is a key part of your life – as it is for all of us at SABIAN. In fact, we created SABIAN Performance Accessories specifically to seek out new ways to make your drumming life better.

SPA is all about innovation focused on solving real world problems, and this philosophy is at the core of every one of our products. Our gig bags protect your gear and make moving your kit faster and more efficient. Our Beat Brushes add more to your sonic options and expressiveness. And the SABIAN Sound Kit is the first drum-specific amplification solution designed to sound great without requiring an audio expert...whether you use it for practice, live performance, or home recording.

On the pages that follow you will find many more innovations designed specifically for drummers. We look forward to supporting you and your drumming life.

CYMBAL BAGS

Pro 24 Vintage Cymbal Bag

This 24" bag is designed for players that want to get in and out of the gig quickly. It accommodates up to a 24" cymbal and features our Fast Hat Pocket allowing you to leave the hi-hat clutch on. It is on wheels, with a new extra wide wheelbase and includes a deluxe retractable handle. Gig smoothly!

Pro 24 Vintage Cymbal Bag Vintage Brown

P24VBWN24"

Pro 22 Cymbal Bag

The Pro 22 delivers speed and convenience thanks to its wheels and Fast Hat Pocket. It also provides a special level of protection to your cymbals with SABIAN's Edge Protect construction. You and your cymbals deserve this.

NEVER REMOVE YOUR HI-HAT CLUTCH AGAIN!

Fast Hat Pocket Patent Pending

No more fumbling and lost clutches! Our Fast Hat Pocket completely eliminates the need to remove your Hi-Hat clutch. The top Hi-Hat slips right into the bag, protecting your Hats and making setup and teardown faster and easier.

Fast 22 Cymbal Bag

Get in and out of the gig fast. With the Fast 22 you can enjoy the speed provided by the Fast Hat Pocket. Then use the comfort straps, strap it on and you're out.

THE STICK BAG THAT STANDS!

Stick Flip Bag Patent Pending

A stick bag that stands! The versatile SABIAN Stick Flip starts out as a drumstick bag, then unzips, flips, and morphs into a drumstick holder – making transport a breeze!
The Stick Flip morphs from drumstick bag to drumstick holder with our proprietary Flip design. The transformation is quick and smooth – no snaps or special connections required. During the gig, it sits right next to you, putting spare sticks within arm's reach. When the gig is over, it quickly folds back into a stick bag and you're ready for the next show.

The 360

It stands up, straps on, opens up and lays flat – all of that in one handy stick bag. The 360 holds plenty of sticks and can be used standing up, attached to your setup or laid out on a stand.

The 360 Stick Bag
SSB360

The 362

Based on our popular 360 stick bag, the 362 is an expanded version specifically designed to hold more. This is ideal for drummers and percussionists that need to carry mallets and extra sticks.

The 362 Stick Bag

PERFORM • PRACTICE • RECORD

We designed the Sound Kit to make getting great drum sounds easy, so you don't have to be an audio engineer.

- Our mixer has a special kick-tuned channel and presweetened channels for the overheads, all designed to deliver that perfect ambient drum sound every drummer desires.
- Designed specifically for the Sound Kit, our overhead microphones are matched and optimized for cymbals.
- A built in reference recorder allows you to listen back to what you play.
- Play and practice along with your music or with backing tracks.

Grip Disc Practice Pad

Practicing your paradiddles just got a whole lot easier. The Grip Disc from SABIAN Performance Accessories allows you to practice anywhere, any time, on almost any surface. The secret is the Grip Disc's sticky back technology, which allows you to place the Grip Disc on a surface, play, and lift up again without leaving any unsightly marks. If the Grip Disc gets dirty...no sweat. It can be easily washed off and is ready again to stick and play. At 6" diameter, the Grip Disc is easily transportable. Just put it in your stick bag and GO!
